AI Boot Camp

Project 1, Week 2

Module 10 Day 2

Class Objectives

By the end of class, you will be able to:

1 Develop a strategy with your group on how you'll present your project.

2 Compose a list of final tasks that need to be completed to finish your project.

3 Prepare a professional presentation and repository README for your project.
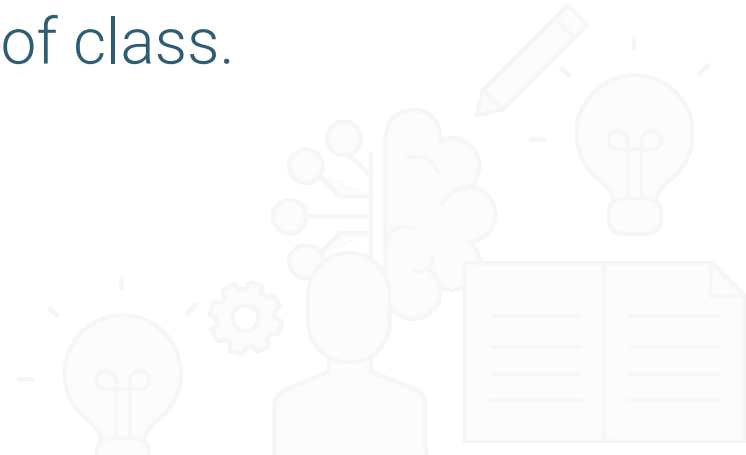

How are your projects coming along?

Project time!

Work with your groups
for the remainder of class.

Activity:
Outline Presentation

Work with your group to determine the following:

- Presentation structure
- Key messages you want to communicate
- Any details you want to avoid reviewing in your presentation

Remember! Don't code/work on your project during this time. Just work on your presentation.

Suggested Time:
30 Minutes

Activity:
Outline Presentation

Key points to cover in your presentation:

1. What problem does the project attempt to solve?

2. How does the project solve this problem at a high-level?

3. What steps were taken to develop the project?

4. Demonstrate how the project solves the problem, as outlined in the narrative. Discuss any additional steps that might be taken to enhance the project in future iterations.

Suggested Time:

30 Minutes

Break

15 mins

Recap

After today's lesson you are able to:

1 Develop a strategy with your group on how you'll present your project.

2 Compose a list of final tasks that need to be completed to finish your project.

3 Prepare a professional presentation and repository README for your project.
